

# AIRPORT EQUIPMENT

## WINDSOCKS

RED & WHITE - ORANGE

### 01. DESCRIPTION

Our **windsocks** are in compliance with the International Civil Aviation rules. The windsocks are handmade in France with a high quality fabric, qualified with 160g/m<sup>2</sup>. With a specific U.V treatment the color fastness is warranted.

They offer high resistance to the weather and to the sun. The standard colors available are red and white, or orange. More colors are available. Your logo can be added.

### 02. CHARACTERISTICS

WINDSOCKS	
Dye	Colourfast
Assembly	In 5 sections
Mounting	By synthetic clamp collars
Grammage	160g/m <sup>2</sup>
